VINOD NUTRITECH KADAHI HONEYCOMB W/LID

Elevate your Indian cooking with the Vinod Nutritech Kadahi Honeycomb w/Lid, featuring advanced Honeycomb Hybrid technology. This tri-ply stainless steel kadahi offers even heat distribution via its aluminium core, a laser-etched honeycomb surface for superior non-stick performance, and protection against scratches for long-lasting durability. Induction compatible, PFOA-free, and oven-safe up to 260°C, it's ideal for low-oil frying, curries, and stir-fries. Safe for metal utensils and dishwasher use.

VINOD PLATINUM PRO X NUTRICHEF HEXA HONEYCOMB FRYPAN

Discover the Vinod Platinum Pro X NUTRICHEF HEXA Honeycomb Frypan, engineered with Honeycomb Hybrid cookware innovation for professional-grade results. Built on tri-ply stainless steel with an aluminium core for rapid, even heating, its raised honeycomb grid safeguards the non-stick coating, allowing metal utensil use without peeling. Induction ready, PFOA-free, and perfect for low-oil sautéing or searing. Durable, non-reactive, and dishwasher safe – reduce returns and enjoy fewer replacements.

VINOD PLATINUM PRO X CONCAVE TAWA HONEYCOMB 25CM

Experience superior flatbread cooking with the Vinod Platinum Pro X Concave Tawa Honeycomb, powered by cutting-edge Honeycomb Hybrid technology. This tri-ply stainless steel tawa ensures uniform heat via its aluminium core, while the laser-etched honeycomb pattern enhances non-stick properties and resists scratches for extended lifespan. Fully induction compatible, PFOA-free, and safe for acidic foods, it's designed for low-oil rotis, parathas, and more. Oven and dishwasher safe. Ideal for home chefs seeking durable, high-performance hybrid cookware.

VINOD PLATINUM PRO X DOSA TAWA HONEYCOMB

Perfect your dosas with the Vinod Platinum Pro X Dosa Tawa Honeycomb, featuring innovative Honeycomb Hybrid cookware for effortless release and crisp results. Constructed with tri-ply stainless steel and an aluminium core for even heat distribution, the protective honeycomb surface supports metal utensils and minimizes wear on the non-stick coating. Induction compatible, PFOA-free, and non-reactive for healthy cooking with minimal oil. Oven-safe to 260°C and dishwasher friendly. Upgrade to premium, long-lasting hybrid non-stick tawa.
